

**LET'S COME INTO HIS PRESENCE** with song,

And tell every one that God is good.  
His promises have been fulfilled  
His love at all times firmly stood.

*For God's sent His Son,  
Jesus King of creation.  
Sing to Him, dance to Him,  
Come join the celebration,  
Come join the celebration.*

Let's enter through His gates with thanks,  
And come into His courts with praise.  
For all He's done let's sing with joy,  
So to our God our voices raise.

He made us all so we are His,  
Come shout for joy unto the Lord  
And serve Him with all gladness  
Because our God has kept His word.

*(Repeat first verse and chorus)*
