Yes what - ev - er I do You stay the same.

Lord like a ship
 Reeling, tossed by the storm,
 So helpless at times
 I have been.
 But when to You
 I have turned You have spoken,
 To calm all my
 Turmoil within.

Lord, like a ship
 Carried far on the breeze,
 With sails all unfurled
 To the wind;
 Open me Lord
 to the breath of Your Spirit,
 So always Your course
 I might find.
